With reference to the Revenue Dy of 21.2.27 Re the awarding of grant allowed for town improvement works etc., I state that the procedure prescribed by the Comptroller for drawing the grant is cumbersome & suggest that the Dy Commrs who are the sanctioning authority may be authorised to pass the present item to the Treasury for adjustment by debit to the head '30 grants for public improvements'

ear Mr. Ranga Rao,

With reference to the memo No.L.5869-75 dated 21st February 1927 forwarding for information a copy of letter No.L. 5868/M1. of the same date to the Deputy Commissioner, Tumkur District in the matter of drawing the Government grant allotted for Town Improvement works &c., I beg to state that the Government grant has been distributed over a number of improvement works in the several Town and Minor Municipalities in the District. The old procedure laid down in the Comptroller's circular of 1925 is in the circumstances rather cumbersome especially in the cases of smaller grants allotted for improvement works in the Minor Municipalities, who will find it difficult to adhere to the procedure and it may impede the claiming of the Government grant in time by the Presidents of several Municipalities in the District and result in the lapse of the amount or greater part thereof. Moreover the procedure will involve much avoidable correspondence with the Comptroller's office.

As the Deputy Commissioners are the sanctioning authorities for the Government grant allotted to their Districts, I would suggest that they may be authorised to pass the bills received from the grant-in-aid Presidents, after satisfying themselves of the proper execution of the works. The bills thus passed will be presented to the Treasury for necessary adjustment by debit to "30 grants for Public Improvements" and credit to the Municipal Funds concerned and the fact intimated in due course to the Comptroller. A final report as to the manner of utilisation of the grant will also be sent to the Government.

I request you to obtain the sanction of Government to the above procedure.

Yours sincerely,

D. Srinivasa Iyengar

Dear sir,

I invite your kind reference to my D.O.letter No. A-6.C.2599/26-27 dated 8th March 1927 in the matter of obtaining sanction of Government to authorise the Deputy Commissioners to pass the grant-in-aid bills in connection with the Town Improvement works and request that you will be so good as to obtain immediate orders of Government in the matter as some of the Municipal Councils in the District have to draw the Government grant sanctioned for their Municipalities.

Yours sincerely,

by Mr. M. V. Iyengar

With reference to your letter No A & C. 2099/26 of 7.3.27 in the matter of drawing the Govt. grant allowed for Town Improvement works etc, I am directed to ~~invite attention to circular letter No~~ L 2362-9/ml 125-25-21 of 15.9.24 requiring that the amounts of grant under this head should be utilized only for works outside the ordinary duties of the Municipalities of a special character such as Government ~~buildings~~ and formation of extensions, drainage works etc over and

enclosures.....

by.....

d by.....

~~And~~ to state that when the estimates are sanctioned & the works carried out the bills therefor may be debited direct to the grant instead of being first paid from the funds of the municipality & the grant being drawn altogether thereafter. The grant cannot be given to the municipality to be merged in its general balance but there is no objection to the amount of it being treated as available in the Treasury for being drawn upon for meeting expenditure on the works for the execution of which it has been sanctioned

~~I have to request that a Bill~~ of the nature of a Special nature which the ~~Society~~ wish to take out of finance from this grant maybe sent & that after it is approved by Govt. the procedure followed about may be followed for meeting the ~~bills~~.

Rush of expenditure in the closing months of the year should be avoided. If the grant cannot be fully utilized during the current year Govt will have no objection to consider sympathetically the question of providing the amount likely to lapse in the next year's budget if a requisition is now made therefor.
